Our School's Weekly Memory Verse for Week 11:

"Jesus answered, 'I am the way and the truth and the life. No one comes to the Father except through me.'

John 14:6

A Word from the Principal

Greetings all,

You may have seen this already, but let us all remember....

Ever wonder why Veterans' Day is on the 11th and does not change? The war ended on the 11 month on the 11th day at the 11th hour.

Today I saw a man selling poppies stop a lady and ask if he could re-position her poppy. While doing so he told that lady she should wear the poppy on her right side; the red represents the blood of all those who gave their lives, the black represents the mourning of those who didn't have their loved ones return home, and the green leaf represents the grass and crops growing and future prosperity after the war destroyed so much. The leaf should be positioned at 11 o'clock to represent the eleventh hour of the eleventh day of the eleventh month, the time that World War I formally ended. He was worried that younger generations wouldn't understand this and his generation wouldn't be around for much longer to teach them. We must remember those from our current wars too!

For those who do not know, the eleventh day of the eleventh month is Veterans Day! I copied this from someone else. Please do the same to pass this knowledge on to those who don't know the meaning and who care enough to know.

Non Nobis Domine,

Wallis W. Brooks, Principal
