A Word from the Principal

Greetings all,

As prudence was our focus this summer in teacher training, I encourage all of us to exercise prudence in the face of the coronavirus. We are keeping informed and updated by the CDC and there is an abundance of information available online and on social media. Remember a few things: if you are sick, stay home; the elderly and those who are ill are most susceptible to the virus; fortunately children do not seem to be at risk; and most important, WASH YOUR HANDS!

Non Nobis Domine,
Wallis W. Brooks, Principal

From the Celtic Prayer Book:

"As for me, I can only fall on my knees and pray that the Lord Christ, who died for me, might have His own way with me – that it might be worth His while to have done what he did and what he is doing with me now. To my elder brother, my Lord and my God, I give myself yet again, confidently, because He cares to have me because my breath is His. I will be what He wants, who knows all about it and has done everything that I might be His own – a living glory of gladness." George MacDonald

Our Kindergartners participated in their Art class while enjoying the beautiful day outside.

AUCTION TIME

Most auction donations are in. Our online auction is up and running. Here are a few of the items on which you can bid.

Fire Pit Basket

Disney Basket

Stock The Bar Basket

Weekly Memory Verse for Week 25:

"Surely he took up our infirmities and carried our sorrows, yet we considered him stricken by God, smitten by him, and afflicted. But he was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was upon him, and by his wounds we are healed. We all, like sheep, have gone astray, each of us has turned to his own way; and the Lord has laid on him the iniquity of us all."

Isaiah 53:4-6

HAPPENING AROUND CAMPUS

Pi Day Celebration

Grades 6-8 had a wonderful day celebrating "Pi Day" on Thursday. The festivities included our Pi Olympics (volleyball, basketball, frisbee, relay races and soccer) as well as making paper chains from Pi, reciting Pi, a quiz on Pi, and of course eating pie.... We praise God for the beautiful weather and the fun we had learning about Pi in a creative way!
