### A Word from the Principal

On Monday we took time to remember all of those who have given their lives for our country on Memorial Day. Our gratitude, our appreciation, our respect are yours. To everyone who serves in our military: our hearts are full, thanking God for all of you.

As we close our school year, the students of St. John's Academy have been preparing a wonderful Spring Revue presentation called *In God We Trust*. You will hear patriotic songs and famous speeches.

Our Founding Fathers built this nation on the foundation of faith. Our students read the original documents and memorize godly speeches of our Founding Fathers to inspire a love of our country. Our second President, John Adams, once stated,

“The general principles on which the fathers achieved independence were the general principles of Christianity. I will avow that I then believed, and now believe, that those general principles of Christianity are as eternal and immutable as the existence and attributes of God.”

We look forward to seeing you Tuesday, June 4th at Lewis Auditorium for *In God We Trust*. Prepare to be inspired and impacted by the words presented, and don't forget your tissues!

Non Nobis Domine,

Jodi Young, Lower  
School Principal

## Student Acknowledgement

ASTRA member, Maura Hamilton, was awarded a grant of \$2,330 from Altrusa International. Maura submitted a grant proposal for St. John's Academy to start a new Literacy Program at the lower campus to encourage younger students to develop their love for reading. Congratulations Maura!
